Greentown Labs is proud to host more than 12,000 visitors from around the world every year. Our tour provides visitors with an introductory presentation about Greentown Labs, our members, and the regional climatetech innovation ecosystem. Visitors can expect to conclude their visit with a guided tour through the prototyping lab of our facility.

Startups interested in becoming a member of Greentown Labs are always welcome for complimentary tours! Contact our Portfolio Development team at recruitment@greentownlabs.com.
